

# MAY NEWSLETTER

## Last month to pre-register!

You may pre-register during the month of May for next year's classes. Pre-registration allows you to lock in your tuition rate at this year's prices and also helps us put together the schedule for next year's classes. It also guarantees your child's placement in class, instead of being placed on a waitlist! Your registration fee and August tuition will be due at time of pre-registration. Fall classes will begin August 16th.

## Recital Tickets & Programs

Recital tickets and programs will be ready for you to pick up on May 10th. Your account balance must be zero. Additional recital tickets will be available for sale in the office on May 10th as well. They will be sold on a first come, first serve basis at \$5 each. No one will be admitted into the recital without a ticket.
